

Rendez-Vous

*Twinned with Guipavas, Brittany (F) since 1982
and Barsbüttel, Schleswig-Holstein (D) since 2004*

January 2019

Here's hoping that 2019 brings for you personally and for your families everything you wished for!

As far as twinning is concerned, the autumn saw a well supported Safari Supper which, as ever, was enjoyed by all the participants, and our presence at Honey Fair in October was richly rewarded not only by healthy sales of the lottery tickets but also by the recruitment of new members to our association. 2018 ended on a high note with a fantastic Flamenco evening where the culinary delights on offer were matched by the incomparable dance skills of Mercedes Romero and her incredibly gifted guitarist.

Coming up soon is our unmissable Burns Night on Saturday 26th January. There will be all the usual ingredients as far as pomp and ceremony go and we have engaged a new caterer who promises to offer a delicious serving of Scottish fare. So don your best tartan bib and tucker and get ready to gird your loins in some Highland reels - or sit back and admire the efforts of others!

On the menu will be traditional Cock-a-leekie soup (or a vegetarian option), followed by traditional haggis (or a vegetarian version or a chicken dish). There will be a choice of desserts from which you can select on the night.

As ever, there will be a wine and beer bar, so if you fancy a wee dram to accompany the meal, don't forget to pack your personal choice of tipple.

All the above for a very reasonable £18 per head. To book, complete the attached reply slip and return to Dorothy at cadta@btinternet.com

To round off the twinning year, you are cordially invited to the Annual General Meeting which will take place at 7.30pm in the Council Chamber of Callington Town Hall on Friday 1st February.

AGM

Annual General Meeting

Following the business part of the meeting, you will have the chance to chat with fellow twidders over a glass or two of wine and a selection of cheeses - and start to get excited about the forthcoming twinning year.

The highlight will obviously be the visit to Barsbüttel in May. The response has been good so a strong contingent will be winging its way to Germany, but in case you have delayed in making your minds up about going, please get in touch with David who will help you out.

If you have any ideas of events that you would like to see in our yearly social programme, do come along and share them - or ring a committee member beforehand so they can go into the melting pot. And, of course, if you have ever thought of joining the committee, you would be made especially welcome.

We look forward to seeing you all again soon!
