

Rendez-Vous

*Twinned with Guipavas, Brittany (F) since 1982
and Barsbüttel, Schleswig-Holstein (D) since 2004*

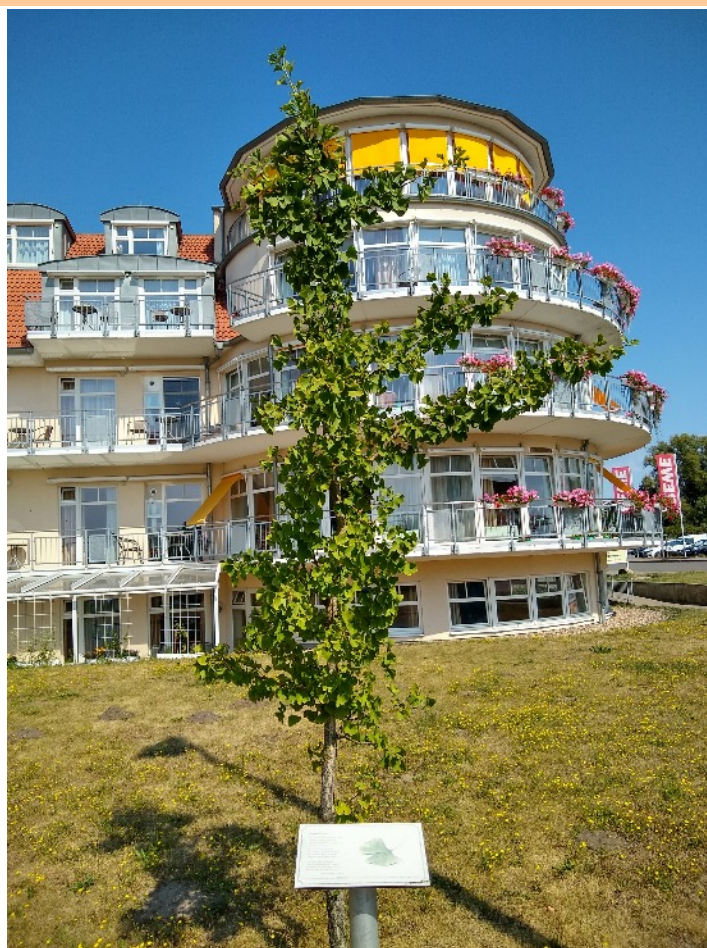

December 2020

What a year!

Who would have thought it? All our plans for hosting an Easter visit from our friends in Barsbüttel, Guipavas and Keila, the resurrection of the summer Youth Camp in Barsbüttel and a range of other social gatherings all went out of the window.

The future is also uncertain, but we have already had to cancel next year's Burns Night Supper - and plans for any international travel are far from clear. One thing is certain: the future will clearly be different in many ways, but we fully intend to continue to build upon the long-standing links we have with our partner towns.

As yet, freedom of movement and social gatherings are very much "up in the air", but the usual date for the AGM is the first Friday in February, so please try to keep Friday 5th February 2021 clear in your diaries. We will confirm the date and time once all becomes clear. Could a Zoom meeting be a possibility? In a similar vein, other plans for your social delectation will be revealed when the new committee has had a chance to meet and put on their thinking caps.

Our Ginkgo Tree of Friendship is flourishing in Barsbüttel

It just remains for the Committee to wish you all

Bonne année!

Head uut aastat!

Ein glückliches neues Jahr!

We hope to see you all again soon!
